

# CAMINANTE

White Grenache - Chardonnay - Chenin

DO.CATALUNYA

## Tasting Notes

Caminante, the flagship white wine of Terra Remota, is made from the three varieties originally planted on the estate: Grenache Blanc, Chardonnay, and Chenin Blanc.

Vinified separately, each grape variety highlights its own unique characteristics.

Alcoholic fermentation begins in stainless steel tanks, then the wines are transferred to 5-hectoliter French oak barrels where they remain for 5 to 10 months to gain volume and elegance.

## Wine Characteristics

Acidity - Bold	● ● ● ● ●
Minerality - Marked	● ● ● ● ●
Fruity - White Fruits	● ● ● ● ●
Body - Powerful	● ● ● ● ●
