

CAMINITO

Black Grenache

DO.EMPORDÀ

Tasting Notes

Caminito, Terra Remota's gastronomic rosé, fits into the iconic range dedicated to Antonio Machado's poem "Camino".

Following a gentle pressing of its berries, it continues its journey with vinification entirely carried out in 5-hectoliter French oak barrels.

A 4-month aging in these barrels helps to round out its aromas of red fruits such as strawberry and raspberry, along with a finish characterized by notes of rose.
